Staffing Update

You would be aware that Maree Bowater is currently on Maternity Leave for the remainder of 2018. After a process of advertising and interviewing Ms Joyce Randall has been appointed to this position.

Rebecca Dittman advised over the break that she will be taking early maternity leave for the remainder of 2018. After a process of advertising and interviewing Mr James Seguna has been appointed to this position.

New Child Care Package

There’s not long to go before the New Child Care Package is introduced on 2 July. If you access Outside School Hours Care, or Vacation Care, you will be affected by these changes. The new Package will overhaul the current child care fee assistance to provide more support for more families.

The key facts you need to know:

- On 2 July, the current Child Care Rebate and Child Care Benefit will be replaced by a single Child Care Subsidy.
- Low and middle-income families will no longer have an annual cap on the amount of subsidised child care they can claim and families with higher incomes (earning up to $351,248) also benefiting with the cap being increased from $7,613 to $10,190 per child per year.
- Three things will determine how much Child Care Subsidy families can access including: combined family income, activity level of parents, and the type of child care service they use.
- A wide range of activities will be recognised for the Child Care Subsidy including: paid work (including leave), study or training, unpaid work in a family business, looking for work, volunteering, self-employment, setting up a new business (for up to six months) and other activities on a case-by-case basis. If paid or unpaid maternity leave is a condition of your employment, then that is also considered a recognised activity under the activity test.
- To transition to the subsidy, you’ll need to provide some new information and confirm your current details now through myGov. To find out more information, visit education.gov.au/childcare

The Department of Education and Training has provided an online toolkit at this web address: education.gov.au/ChildCarePackage

Thought for the Week

Happiness cannot be travelled to, owned, earned, or worn. It is the spiritual experience of living every minute with love, grace, and gratitude. Denis Waitley

Developing Literacy in your Children

Keep the Conversation going…. Make conversations with children go back and forth at least five times. Ask questions that both build on what children have said and that they will want to answer. Also, make comments that show your interest and wait expectantly for a response. The longer children stay in a conversation, the more practice, feedback and information they get – all of which build their language skills.

- For example: Ask your child to help unpack groceries, and encourage conversation by asking her which food items she/he likes. Keep the conversation going back and forth for five or more turns.

- During a snack time, start a conversation about one of the food items. For example “ Mmm, a banana. That’s my favourite fruit?” Ask each child to name his/her favourite fruit and encourage group conversation by talking about each fruit, going back and forth for several times.

- When reading a book and a child makes a comment about something in a story, ask a question that is related to what was said. For example, if your child points to a character and says, “ He’s sad”, you can say, “Yes, he does look sad. Why do you think he is sad?”

- Sitting with your child, scroll through some of the photos you took on your smart phone. Stop and talk about the photos that interest your child. Remember to keep the conversation going for about 5 turns.

Happy talking with your children......

NAPLAN TESTING FOR 2018

Week Five of this term, our students in Year 3 and Year 5 will participate in the NAPLAN tests which will be held across the nation.
The testing schedule is below:

- Tuesday 15th May - Language Conventions & Writing Tests (first and second session)
- Wednesday 16th May - Reading test (first session)
- Thursday 17th May - Numeracy Test

For any students who are absent for any of these tests on Tuesday, Wednesday or Thursday, Friday is available for catching up on any tests missed.

Testing will begin at 8:45am each morning, therefore it is important for your child to be at school prior to the commencement of the tests.

**ABSENTEEISM**

With our eMinerva system that was rolled out to all Catholic Schools in 2011, teachers mark the class roll electronically by 8:45am and 2:30pm. Children are marked late if they arrived after 8:45am and marked as an early departure if they leave before 2:30pm. This automatically calculates into days absent into each child’s report card for the semester.

At St Francis Xavier we expect students to arrive at school on time and prepared to learn. Just a little bit late doesn’t seem much but...

Did you know if your child is missing just 10 minutes per day, they miss 1.5 weeks per year, which over 13 years of schooling they miss nearly half a school year? If they miss .5hour per day, they miss 4 weeks per year and nearly 1.5 years over the 13 years of school.

Please have your children here at school on time and try to eliminate early departures.

**MOTHER’S DAY**

Next Sunday we celebrate a special day for all Mothers. I take this opportunity to wish all the Mums in our community a wonderful day on Sunday 13 May.

Enjoy your weekend, Carolyn

ANZAC Day in Canberra

I was fortunate to be able to attend the ANZAC Day Dawn Service at the Australian War Memorial in Canberra. I was sitting amongst 38000 people, from babies through to the elderly, which gave me hope that our tradition of remembering our ANZACS will continue to be strong with future generations. From 4.30am, excerpts from the letters and diaries of Australians who experienced war firsthand were read aloud by a representative from each of the armed forces. This was chilling. Then, the Service Address was delivered by retired Colonel Susan Neuhaus CSC, who served in the Regular Army and Army Reserve, with deployments to Cambodia, Bougainville and Afghanistan, over a career spanning 20 years. She is the first female to give this address, so that made it all the more special to be there. I encourage all families in our school community to learn about your family history and share this with your children. If we all take this challenge on board, stories will not be lost and the history of so many will live on.

May is the Month of Mary

Mary was a humble servant of God. Mary, the mother of Jesus, is one of the most admired figures in Scripture and considered by many to be the greatest of all Christian saints. She was a willing servant who trusted God and obeyed His call. While her life held great honour, her calling also required great suffering. Though there was joy in motherhood, there was great pain in the privilege of being the mother of the Messiah. Despite these things, she responded to God with great obedience and submission to His plan. Her life never robbed Jesus of His glory, for her mission was to witness the glory of the Son of God. Students will spend time during May either learning about, or reflecting upon Mary and the significant role she plays in our Catholic Christian tradition. It would be wonderful for your children if as a family you took some time to pray the Hail Mary with them.

Hail Mary, full of grace.
The Lord is with thee.
Blessed art thou amongst women, and blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death.
Amen.
Mother’s Day

This year Mother’s Day is on Sunday 13 May. This is a wonderful opportunity to celebrate the mothers, maternal bonds, and the influence of mother’s in society.

The P&F will hold our annual Mother’s Day stall on Wednesday 9 May. All classes in the school will visit the stall throughout the day. It is a good opportunity for children to ‘shop’ for their mum, or someone special in their life.

Mother’s Day Mass is on Friday 11 May. It will begin at 9am in McAuley Hall. Mrs Smith and 1B are planning the Mass, so we invite all families to join us as we celebrate the special women in our lives.

I hope you all are enjoying the change in the weather. It is at this time of the year that we must remember those less fortunate than we are, who are homeless or hungry. We will be starting our St Vincent DePaul winter appeal soon, so if families can begin to look for unwanted blankets and start the put a few extra cans in your weekly shopping, that would be much appreciated.

I wish you all a happy, healthy week ahead. Do not forget to share a comfortable cup of tea (or coffee) with someone. Have you thought about buying a coffee for someone, or paying for the next person in line? Stop thinking about it and just do it. You will make someone smile. This is one simple act of kindness. There are many things we can do through our day to brighten the life of someone else. What is it that you can do?

Have a great week.

Natalie

P&F News

April P&F Meeting

Last night we had our April P&F meeting and had some great information from a Brisbane Catholic Education representative regarding sustainability for the school including cooling of the school. We also discussed a lot of fundraising ideas so keep an eye out for more information on these. The minutes of each meeting get ratified at the following month’s meeting and are then placed on the Parent Portal for you to view. If you would like to be involved in volunteering or just in meetings, please feel free to come along. Meetings are held on the last Monday of the Month.
This year our Mother’s Day Stall will be held on Wednesday 9 May. Presents will be available for the children to purchase and this year we will also be including the Kindy Children. The presents will range up to $10 and there is enough for two presents each in case the students would like to purchase for Grandma or Nana or another special ‘Mother figure’ in their lives. We are looking for volunteers to help on the day setting up and helping children to pick and purchase their presents. The stall will run from 9am till approximately 2pm so if you can spare a couple of hours that would be appreciated. Please email sfxpfc@hotmail.com.

Walk to School Day Breakfast

We have had to postpone the Walk to School Breakfast and at this stage the date is still to be confirmed. Please stay tuned for more information at a later date.

Don’t forget...

If you have joined the Rebel stores community program and nominate our school on your account (this can be done online or at the register), every time you purchase anything at Rebel stores Australia wide, you just have to swipe your loyalty card and our school receives in-store credits.
